Aim and scope

This workshop aims are: a) to discuss, on the basis of the SH-CAPAC training strategy, possible approaches for the implementation of country training strategies for the development and strengthening of refugee/migrant sensitive health services, and b) to discuss the adaptation of the SH-CAPAC training materials to national/regional/local contexts.

The expected outcome of the workshop is to support the implementation of sustainable training strategies at national and subnational level for improving the health response to refugees, asylum seekers and other migrants.

Objectives:

1. To present to Member States the proposed SH-CAPAC Training Strategy
2. To present the training contents and methods of the SH-CAPAC on-line training course.
3. To discuss training needs for different professional profiles and contexts
4. To discuss strategies for adapting the training materials at national/regional/local level.
5. To engage national and subnational counterparts who may be interested in adapting the training contents.

Target participants:

- National/regional/local health and education authorities responsible for the capacity building of health professionals and service providers.
- Professionals who have responsibility for developing training in health care settings, especially in connection with refugees/migrants health
- Other stakeholders such as, European and national health professionals associations, NGOs, etc. involved in training in connection with refugees/migrants health at national/regional level.

The workshop will be conducted in English.
