Module 2, Unit 3

Compulsory Activity 3: Identify good practice at the local level

Time: 30 minutes

Method:

- *Individually:*
  - ✓ Identify a good practice implemented in your own institutional, local, regional or national context for improving access to health care for migrants to address barriers to specific healthcare services such as mental health care services, sexual and reproductive health care services, health care services for children and adolescents or health care services for victims of violence.
  - ✓ Describe it using the follow template

- *In the forum:*
  - ✓ Upload the template with the description of the practice in the forum with a post.
